

Slipstream Farm

Gimli

2003 Canadian Sport Horse Gelding 16.1/4 hh

Gimli is an extremely handsome athlete with great potential for jumping and dressage. With three superior gaits and suspension, he will undoubtedly excel in the dressage ring. His scopey jump and powerful hind end will allow him to be a contender in the jumper ring.

Sire, **Gargoyle JT** stands at Cripple Creek Farm in the West Kootenays of B.C. He competed successfully for two seasons jumping at Spruce Meadows under Jim Ifko but achieved his CSHA breeding approval through Dressage. He has several offspring competing throughout B.C.

Dam, **Kestrel**, is a homebred mare with very correct conformation for sport. She produced Wintour, the 2006 Alberta Foal Champion in the inaugural CSHA National Foal Championship. Her grandsire, Nemo, was a mainstay of Sport Horse breeding in Alberta for many years and was highly regarded in both jumping and dressage.
